EDUCATION

BSCS, 2019-2023
Institute of Business Administration, Karachi
A-Levels, 2017-2019
Nixor College

WORK EXPERIENCE

Nixor College   (2018 - 2019)

Teaching Assistant

My responsibilities included catering to the queries and concerns of a classroom of A-Level students and note the progress of each individual student.

Taleem Sab Kay Liye   (2017 - 2019)

Volunteer

Collaborated with an NGO to teach underprivileged students primary subjects, organize awareness campaigns, plan recreational activities, and other events for academic and personal grooming.

Student Union, Nixor College   (2018 - 2019)

Student Body Representative

Managerial tasks including event organization, participating in beach clean-up drives, supervising infrastructural campus renovations, and other duties for the student body.

Project Yaqeen   (2021)

Social volunteer

Managed online platforms, wrote content and captions for social posts, handled live events, and carried out numerous presentations to spread awareness about mental health.

Indus Motor Company ltd   (2022)

IT intern

My responsibilities under this internship were mostly of focus on SAP. I had an amazing mentor who gave me an introduction toward SAP and taught me basics of this language. Moreover, I was also given a project to list down all the SAP processes that the Indus Motor company had and make a guidebook for the employees there. It also gave me exposure of working with IT experts who are good with providing support to the IT department.

PROJECTS

- Created a website on information about provinces of Pakistan. Used html using CSS to create certain effects such as hover, Search bar, etc.
- Created a bank's graphical user interface using java programming.
